If the employee does not believe that the Employee Improvement Plan is appropriate, he/she may request that a conference, including the Superintendent Chief Learning Officer and TTEA President, or his/her designee, be held to review the recommended Employee Improvement Plan. This group shall also include the employee and evaluating administrator. The final decision shall be made by the Superintendent Chief Learning Officer.

7.7.2.1 The Employee Improvement Plan shall not create a financial hardship for the employee. The district will provide for release time, when included in the Employment Improvement Plan and shall reimburse the employee, or pay for, when more

convenient, for in-service and professional development activities. College and university course fees will be paid by the district only if the employee does not use the earned credits for application to the district salary schedule.

7.7.2.2 The recommended Employee Improvement Plan shall not extend beyond the remainder of the school year during which the “unsatisfactory” rating(s) was received and the following school year. The evaluator shall meet with the employee up to two (2) times a month to review and assess progress and accomplishment towards a satisfactory evaluation.

7.7.2.3 If the recommendation includes peer participation, the relationship between the participating teacher and his/her peer shall be confidential.

7.7.3 Alternative Unit Member Assessment Project

7.7.3.1 After completing three (3) formal evaluations in Tahoe Truckee Unified School District, the unit member can request an alternative assessment project. The unit member shall have proven mastery of the Evaluative Competencies by receiving at least one “exceeds standards” level rating on District Evaluation Competencies one-five and no “needs improvement” or “unsatisfactory” ratings.

7.7.3.2 Alternative Assessment Project shall not be used in consecutive evaluation cycles.

7.7.3.3 The unit member and the evaluating supervisor shall meet and agree upon the nature of the project and upon the timeline for development and completion.

7.7.3.4 The project should contribute towards the unit member’s professional development.

7.7.3.5 The project will be completed in the year of evaluation. A unit member may begin preliminary planning the prior year.

7.7.3.6 The project shall culminate in:

- A product
- A presentation to a group of peer advisors agreed upon by the unit member and the evaluating supervisor
- A summative reflection

7.7.3.7 There will be two interim project reports on or before November 30 and February 15. The project must be completed no later than one month prior to the last school day.

7.7.3.8 The evaluating supervisor shall certify that the project was completed.

The District and the Association support the development of an alternative to the basic evaluation system contained within this Article and agree to have developed this alternative during the 1996-97 instructional year. This program will ultimately be available to select employees who have proven mastery of the EVALUATIVE COMPETENCIES by receiving consistent ratings at the “Exceeds Standards” level. As this program is developed, it will be field tested at a site(s) based upon administrator and staff interest. Any deviations from the basic evaluation program as outlined in this Article will be discussed with the District Evaluation Committee and implemented after concurrence is obtained from the District and the Association.

7.8 Confidentiality

The evaluator will assure that the preparation of evaluation documents is completed in a confidential manner.

8.2.1 Any evaluation performed pursuant to this article, which contains one or more ratings of “unsatisfactory”, or a continued “needs improvement” in areas 1, 2, 3 or 4 of an employee’s performance evaluation requires that the certificated employee shall participate in the Peer Assistance and Review Program. Unit members with one “needs improvement” will be encouraged, but not mandated to participate in the program.

8.2.2 The governing board of each school district shall evaluate and assess certificated employee performance as it reasonably relates to:

- 8.2.3 Assistance and remedial efforts and activities shall be sustained and multifaceted, and shall be preceded by a conference in the spring of the year when the unit member receives the unsatisfactory evaluation. The conference shall involve the unit member being referred, the evaluator, and, if chosen, the Consulting Unit Member. If the participating unit member requests it, the Association shall provide representation in the meeting.
- 8.2.4 Initial assistance shall focus on the specific areas recommended for improvement by the participating unit member's evaluator based upon the "unsatisfactory" rating or ratings in the performance evaluation that resulted in referral to the PAR Program.
- 8.2.5 Performance goals, as included in an Employee Improvement Plan per Article 7.7, for an individual unit member shall be in writing, clearly stated, aligned with pupil learning, and consistent with Section 44662 of the Education Code.
- 8.2.6 Assistance and review shall include multiple observations of a unit member during periods of classroom instruction.
- 8.2.7 The school district shall provide staff development activities to assist a unit member to improve their teaching skills and knowledge.

- 8.2.10 The unit member and evaluator shall each be entitled to review all reports generated by the Consulting Unit Member prior to submission to the PAR Panel and to have affixed thereto their comments. The unit member and evaluator will receive copies of all such reports at least five working days prior to any such meeting.
- 8.2.11 The Consulting Unit Member shall submit a final written report regarding the unit member's participation in PAR to the PAR Panel and to the unit member's evaluator no later than April 15th. This report shall describe the measures of assistance provided to the unit member and describe the results of the assistance in the area or areas recommended for improvement.
- 8.2.12 The final report of a unit member's participation in the program shall be made available, in written form, for placement in the personnel file of the unit member receiving assistance. If it is included in the personnel file, the unit member shall have the opportunity to attach comments.

- 8.2.16 Nothing in this article precludes the principal/evaluator or District from doing formal or informal observations nor from notifying the unit member verbally and/or in writing regarding incidents or events related to the teacher's fulfillment of their professional obligations.
- 8.2.17 The unit member shall have a right to be represented by the Association in any meetings of the PAR Panel to which they are called, and shall be given a reasonable opportunity to present their point of view concerning any report being made.

- 8.2.20 The PAR Program in no manner diminishes the legal and contractual rights of unit members.
- 8.2.21 The parties understand that every possible subject matter competency may not be available within the corps of Consulting Unit Members, and it shall occasionally be necessary to secure additional assistance to fully address identified deficiencies. In such cases, the Consulting Unit Member shall maintain primary responsibility for the Assistance Plan, but may function more like a case carrier who assures the availability of appropriate resources.

ARTICLE 9 GRIEVANCE PROCEDURE

9.1 Definitions

9.1.1 A “grievance” is a claim filed by a unit member or the Association alleging that there has been a violation, misinterpretation, or misapplication of the provisions of this Agreement.

9.1.2 A “grievant” is a unit member who files a grievance or the Association.

9.1.3 For grievances filed by unit members, “immediate supervisor” shall mean the District administrator who is responsible for evaluating the grievant. For grievances filed by the Association, “immediate supervisor” shall mean the Grievance Officer.

9.2 Purpose

The purpose of the procedures described below is to resolve grievances at the lowest possible administrative level. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

9.3 Informal Level

Before a unit member or the Association files a formal written grievance, and no later than thirty (30) days after the time the grievant knew or reasonably should have known that the alleged grievance occurred, the grievant shall meet in an attempt to resolve the grievance through informal conferences with the immediate supervisor or other appropriate site supervisor. The immediate supervisor has up to ten (10) days to respond to the informal grievance before a formal grievance can be filed.

9.4 Formal Levels

9.4.1 Level One: Immediate Supervisor

9.4.1.1. If the grievant is not satisfied with the outcome at the informal level, or if no resolution is reached, the grievant may file a formal written grievance with the immediate supervisor. The written grievance shall be submitted no later than ten (10) days after the completion of the informal level and shall include the following:

9.4.1.1.1 Facts showing how the grievant has been adversely affected;

9.4.1.1.2 The specific section(s) of the Agreement allegedly violated;

9.4.1.1.3 The specific remedy sought;

9.4.1.1.4 The names of all parties involved in the alleged grievance.

9.4.1.2 The immediate supervisor or other appropriate site supervisor shall communicate

his/her decision with the rationale for that decision, to the grievant in writing within five (5) days after he/she receives the grievance.

- 9.4.1.3 If a conference needs to be held it must be requested and completed within the ten (10) day time limit for rendering a decision if a conference is requested by either the grievant or the immediate supervisor.
- 9.4.1.4 If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the grievant, the Association, and the District. This agreement shall be non-precedential and shall constitute a settlement of the grievance.
- 9.4.1.5 If an Association-wide grievance is filed and cannot be resolved as a “Level One” grievance with HR then it will proceed directly to the Superintendent CLO as described in Article 9.4.3.

9.4.2 Level Two-Grievance Officer

- 9.4.2.1 If the grievant is not satisfied with the immediate supervisor’s decision, or if no decision is rendered within the ten (10) day time limit, the grievant may appeal to the Grievance Officer designated by the Superintendent Chief Learning Officer no later than ten (10) days after the level one time limit for rendering a decision has expired. The statement shall include a copy of the original grievance, the decision rendered, and a clear and concise statement of the reasons for the appeal.
- 9.4.2.2 The Grievance Officer shall communicate his/her decision to the grievant in writing within fifteen (15) days of receiving the Level One appeal.
- 9.4.2.3 A conference shall be held within the fifteen (15) day time limit for rendering a decision if a conference has been requested by either the grievant or the Grievance Officer.

9.4.3 Level Three-Superintendent Chief Learning Officer

- 9.4.3.1 If the grievant is not satisfied with the Level Two decision, or if no written decision is rendered within the fifteen (15) day time limit, the grievant may appeal to the Superintendent Chief Learning Officer no later than ten (10) days after the Level Two time limit for rendering a decision has expired. The appeal shall include a copy of the original grievance and all related documentation.
- 9.4.3.2 The Superintendent Chief Learning Officer shall communicate his/her decision to the grievant in writing within ten (10) days of receiving the Level Two appeal.
- 9.4.3.3 A conference shall be held within the ten (10) day time limit for rendering a decision if a conference has been requested by either the grievant or the Superintendent Chief Learning Officer.

9.4.4 Level Four: Binding Arbitration

- 9.4.4.1 If the grievant is a unit member and the unit member is not satisfied with the Level Three decision, or if no decision is rendered within the ten (10) day time line following the Superintendent Chief Learning Officer's consideration of the grievance, the grievant may, within five (5) days, notify the Association in writing of the grievant's request for binding arbitration. If the Association agrees that the matter should be submitted to binding arbitration, the Association shall notify the Superintendent Chief Learning Officer of its decision to have the grievance submitted to binding arbitration. The Association's request for binding arbitration must be submitted no later than ten (10) days after the Level Three time limit for rendering a decision has expired.
- 9.4.4.2 The Association and the District shall attempt to agree upon an arbitrator. If no agreement can be reached within five (5) days of when the Superintendent Chief Learning Officer or the Superintendent Chief Learning Officer's designee receives the arbitration request, the Association shall request a list of five (5) arbitrators from the California State Mediation and Conciliation Service. Each party shall alternately strike names until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be by lot.
- 9.4.4.3 The fees and expenses of the arbitrator and stenographer shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.
- 9.4.4.4 The parties shall work together in good faith with the arbitrator to schedule mutually acceptable hearing date(s).
- 9.4.4.5 The arbitrator shall have no power to add to, subtract from, or modify the terms of the Agreement.
- 9.4.4.6 The arbitrator shall hear evidence and render a decision on the issue(s) submitted to him/her. The arbitrator shall make his/her decision by referring to the written grievance and the answers thereto at each step, plus any testimony or other evidence submitted by the parties that the arbitrator deems admissible. After reviewing the evidence, the arbitrator shall submit his/her decision in writing to both parties. If a question of arbitrability arises, the question shall be decided by the arbitrator prior to a hearing on the merits of the grievance.

9.5 Miscellaneous

- 9.5.1 All documents, communications, and records related to the processing of a grievance shall be filed separately from the personnel files of any unit member who is a participant.

- 9.5.2 No reprisals of any kind shall be taken against a grievant.
- 9.5.3 Any District employee who is requested to appear at a grievance arbitration hearing by either party shall be released without loss of pay for a reasonable period of time to participate in the hearing.
- 9.5.4 Nothing contained in this Agreement shall be construed as prohibiting a grievant who is a unit member from requesting assistance from the Association or another employee of the District in processing a grievance. Unit member grievant's may request a representative from the Association or a person of his/her own choosing to accompany him/her at any level. Nothing contained in this Agreement shall be construed as prohibiting a unit member from presenting and processing their own grievance, short of arbitration, without the intervention of the Association.
- 9.5.5 The parties agree that the grievance process shall be confidential, including any arbitration hearing held in connection with a grievance.
- 9.5.6 If a unit member files a formal grievance without the Association's involvement, the District shall notify the Association President of the grievance and any proposed resolution and give the Association the opportunity to submit a formal response prior to reaching a final resolution of the grievance with the unit member.
- 9.5.7 The District and a grievant may agree in writing to suspend the grievance time limits at any point in the process.
- 9.5.8 If a grievant fails to comply with any time limit, the grievance shall be deemed dismissed and permanently withdrawn. If the District does not timely respond at any level, the grievance shall proceed to the next level.
- 9.5.9 If any timeline in this article is set to expire after the last instructional day, the time line shall be suspended until the first student instructional day of the following school year unless the District and the grievant agree otherwise.
